|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| (1) | Before Feb 24, there was an attempt to bring a Russian panellist who speaks for the Russian side. Now, however, think tanks cannot be neutral.                |
| (2) | Expectation for "the anti-war sentiment in Russia" was mentioned only during the first few weeks of the war. It hasn't been heard since the middle of March.  |
| (3) | Many programmes and teams are organising events related to the Ukraine War, though each has its own position and tendencies.                                  |
| (4) | In long-term, think tanks and academia will struggle in finding the right time to restart panel discussions with the Russians who supported their government. |
